

The background of the poster is a vibrant beach scene. At the top, two large green palm trees with brown trunks frame a central illustration of a sunset. The sun is a large orange circle, and below it is a brown house with a blue window. The sun and house are reflected in the blue waves of the ocean. The sky is a clear blue. The water in the foreground is a lighter blue with white foam from waves. In the bottom left corner, there is a yellow beach umbrella, a striped beach chair, and a blue and yellow life preserver. In the bottom right corner, there is a large orange starfish with white spots.
